
Peter Berube?

So I saw a casting notice last week looking for improv actors. The casting director is a Peter Berube, out of the Lyric Theatre (around Melrose and La Brea).

Anyone else find it a huge damn coincidence that there is another Berube working in theatre on La Brea in Hollywood?

Wow! Peter Berube is evil, and he must be destroyed.

O.K., Chris said that Peter Berube is not evil. So sorry folks, we need to stop destroying him. It was a mistake.
