
R.I.P. Heath Ledger

Posted by Lyle - 2008/01/22 23:53

He was supposed to do at least one more Batman movie too...:(

Yeah, bummer. He has a two year old daughter. Poor girl. No more daddy.
Does anybody know what was the cause of death?

Autopsy is tomorrow...based on the conditions they found him in, though, it looks like sleeping pills & ill health may have done it.

I will get a "PET ROCK" and name him "HEATH" that way he will never die on me! Such a loss!
