I'm hoping to get the second interview later in the week. He's doing interviews for only two positions, and I know he has at least three more interviews today, and he's got some tomorrow, too. Totally keeping fingers crossed, right?

I typed that sooo fast (I had Starbucks this morning - not something I normally do. I usually only do coffee on the weekends to start a relaxing, fun day). Maybe I'm just excited.

ANYWAY!!! Thanks to all my sweet Berubian friends for the texts and luuuuuuv.

xoxo

I can't figure out the posting thread thing here. I can only see a few at a time. But, I'm enjoying reading and viewing peoples profiles. Very nice Teresa. :)
